**Overview**

The purpose of this document is to provide the release notes as a result of the Fleet Management Application 3.2\_BUILD0.

**Definitions**

A known issue is a problem that is currently unresolved (open).

A closed or resolved is an issue that has been repaired and no longer should occur in the product after upgrading to the new product version.

The risk and workaround aspects are included in the release note description for overall assessment of the problem.

## Fleet Management Application 3.2\_BUILD0
